Welcome back to term 3. I hope you all had a relaxing and restful break in that cold weather. We have a very exciting term planned starting with our 60th birthday celebrations and a visit from Healthy Harold van. A big CONGRATULATIONS to Miss Sally Fisk who got engaged last night. We wish her all the best.

60th Birthday
Sent as a separate attachment is the program for next Tuesday's Open Day. The Honorable Mike Baird will open the day at 10.00am followed by school tours with our year 6 students. Morning tea will be served in the school hall and the canteen for all our visitors with an archive exhibition to view in the hall. The classrooms and Book Fair will be open after morning tea and then a picnic lunch and concert in the afternoon. Please invite all family and friends along to celebrate with us. If it is raining we will have to cancel the lunch and concert as there is nowhere to hold these events. School tours of the grounds and archive exhibition will be conducted every afternoon from 3.30pm on the Wednesday, Thursday and Friday. 60th birthday drinks and canapés- Saturday 25 July Wakehurst Golf Club. Final ticket sales are being conducted for the drinks night, which will end our celebrations. The cost of the tickets are $50/ticket, if you have 10 or more people only $45/ticket. Please contact Lee Meredith and her committee on manlyvalepublicschool60@gmail.com if you wish to purchase tickets. Numbers are required by Friday 17 July.

New School Development
Last Thursday we had a long Project Reference Group (PRG) meeting to select colours, floor coverings and furnishings. The Development Application is currently at Warringah Council for review and consultation. A new 3D plan has been put on the school’s website for viewing http://www.manlyvale-publicschool.nsw.edu.au/ with a proposed start date of November this year. There will be mixed feelings from everyone connected to the school about replacing our current school and this consultation time is an important part of the process of change. The reality for the current school community is that we have currently 6 permanent classrooms and 12 demountable buildings. The hall, library, canteen and toilet blocks are all undersized for our current enrolments. With a proposed growth of 650 students by 2018 (which is an additional 200 students and up to 8 more classrooms) we don’t have any space to move. This is without any school boundary changes. The new school will cater for up to 1000 students with playing grounds to cater for this number. The plans have complimented and provided access to the bush area, which is currently under utilised by our school students and community. Drainage and privacy for neighbours has been carefully considered in the design and plans. I hope that as a school and local community we are able to address the concerns of all stakeholders and work together to provide a school that compliments and utilises our bushland setting.

Healthy Harold
Toward the end of next week the Healthy Harold van will be at the school. A note explaining the lessons and details of this incursion was sent home with all students last term. A parents info session will be held next Wednesday at 9.00am.

P & C meeting
Last Tuesday we had our first P & C meeting for the term. The fundraising team were congratulated on their wonderful organisation of the Trivia Night and are now busily organising the 4 Setpember Fathers day breakfast. The school’s 60th Birthday memorial cookbook is being collated with stories from the past, artwork from the future and special photographs of the school. It will be available for purchasing later in the year.

Email Problems
This week the Department of Education has migrated our current email system into another format. This has caused a lot of problems with emails this week. If you haven’t had a response from an email you have sent in the past 2 weeks please resend. Sorry for any inconvenience this has caused.

PSSA begins
This Friday our winter PSSA competition begins. Competitors need to remember their PSSA gear for Friday. Good luck to all our teams for this week.

OC Test- Wednesday 22 July
Next Wednesday some of our year 4 students will sit the Opportunity Class (OC) test. This is a very difficult test and we wish all our students the best of luck for the day. Just try your best. The next ICAS competition is English on Tuesday 28 July.
