The week began with our second Kindergarten Orientation afternoon. We now have 70 new students for next year and many lined up to get their first school uniform last Tuesday. Thank you to Helen Gay, Naida Entwistle and Shay Gillings for their help with selling uniforms this week. Our next morning is scheduled for Tuesday 13 October at 9.30am. Please bring along the blue form that you were given last Tuesday or drop it into the office when passing.

Father’s Day Breakfast
Thank you to all the Kindy mums who worked on the Father’s Day breakfast last Friday. It was a great success and thank you to Michael and Sonny Harper, Thomas Bishops and Edie Varga for helping out with props and poses. Thanks also to Darren Gammidge for donating 3 vouchers from his business, D&M Auto in Brookvale, and to everyone who bought a raffle ticket and sold tickets for the day. A big thank you to Peta Morris for her organisation and commitment to the day which raised $5000 in school funds. Fantastic effort by all!

Father’s Day Breakfast winners:

1st Prize - wheelbarrow filled with goodies - Mr Harding
2nd Prize - Signed football from the Manly Sea Eagles - Noel Edgerton
3rd Prize - Gift voucher for Hugos - Naida Entwistle

Congratulations also to Michael Harper on winning the golf putting competition.

Australian Youth Choir
Yesterday we had some of our year 2-5 students audition for the Australian Youth Choir. We have had a lot of interest in choir this year and I thank Mrs McManus and Mrs Kemp for encouraging that interest and providing external opportunities for our students to enhance their talents.

School Photo Day - tomorrow
Tomorrow we will have our second school photo day. This day is for team photos for our sports teams, band, dance groups, debating and choir. The students will wear full sports uniform. As this day is very disruptive to routines we will assess the need for it next year by the amount of photos purchased. Last year only 17 photos were bought and after a discussion at P&C we will review maybe using parent photos taken at events rather than a formal photo day.

Debating Team—9.30am in the hall
Good luck to our debating team tomorrow in their friendly debate against Manly West Public School. Our team consists of Tiala Pouli, Rick Andrews, Sesalela Ryan-Ova and Ellie Halliday. Lara Dean will be the chair person for the debate.

Congratulations to our Regional Athletes
This week Olivia Inkster, Max Marsters, Josh Turner and Zara Halliday competed at the Sydney North Athletics carnival at Homebush. All 4 athletes must be commended for their tremendous effort in reaching such a high competition level. Olivia achieved 3rd in the 100m and 200m sprint and 2nd in the long jump which now means she is off to the State Athletics carnival on 15 & 16 October. A fantastic individual achievement. Good luck Olivia!

Well done Katie!
Congratulations to Katie Gillings who is currently away on a Regional Band Tour “Arts Alive” performing to regional schools in Wagga Wagga, Goulburn and Junee. Katie also performed in front of hundreds of people last week at a concert at the Opera House. An amazing experience and individual achievement. Well done Katie!

Well done Gregory John
Congratulations to Gregory John 3/4F who was selected to travel to Germany to train and play with the Schalke 04 Youth Group.

Parliamentary and Civics Education Rebate
Students from our school will soon be undertaking an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia’s history, culture, heritage and democracy. The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of $20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

Well done Gregory John
status of the project and issues raised by a local group regarding the design of the new school and impact on the Manly Warringah Memorial Park and bushland.

The project is currently caught up in the DA approval process. The project was presented to the Joint Regional Planning Panel (JRPP) as part of the DA assessment process on 25 August 2015. Council did not support the project at the JRPP meeting because of the impact on the surrounding bushland, that being the Rural Fire Service (RFS) requirement for an Asset Protection Zone (APZ). The APZ is an area of bushland that is selectively cleared to provide bushfire protection to the new school but still maintains growth corridors for local fauna.

Many of their concerns have already been addressed by specialist consultants in the Council application; however the Council maintains their objection to the school redevelopment. The project team will continue meeting with Council and local groups after seeking further expert advice, in an attempt to alleviate their concerns.

The current preferred design has been a result of a 12 month consultation process with the Project Reference Group (PRG) and many other external stakeholders to provide the best outcome for students and community. This process included endorsement from the Local Aboriginal Educational Consultative Group among others.

Manly Vale Public School requires more classrooms and space to cater for the continuing growth of the community. Any school redevelopment on the site, regardless of the location, will require an Asset Protection Zone (APZ) according to the bushfire regulations. With any design the APZ cannot be maintained on our site and there will need to be selective maintained clearing into the adjoining bush land. The current design allows for the Manly Vale Public School students to engage with the bushland which is presently under utilised due to safety restrictions. The current fences will be removed and classrooms will be situated on the upper knoll allowing students greater access to the bushland. The position of the pond area will be relocated to a more sustainable natural setting at the north west of the school as a permanent learning resource.

The grassed area and games court at the front of the school will be retained for school and free community access on weekends.

We look forward to continuing our strong environmental focus at the school by embracing the bush and allowing our students and families to actively engage in it. Tomorrow at Café Owl an information booth will be set up from 8.00am—10.00am. Please feel free to come and speak to members of the project team about the design.

**A BIG THANK YOU FROM THE ASX TEAM!**

On Thursday last week, Mr John Gillings came to our school to share his knowledge of the Australian Securities Exchange with a group of students from the three senior classes. Nine students (two were away on the day) are involved in buying and selling shares on the online Sharemarket Game for Schools. They have $50,000 to spend!

Using his expertise from working at ASX and the information on the ASX website, Mr Gillings could explain how companies are listed on the sharemarket, how trading works and how people make money from investing in these companies. It was a great lesson in how important maths skills are in adult life.

Thanks from Lucia Cole, Tom Freeman, Sam Collins, Sam Davies, Matt Cook, Will Dixon, Sesalela Ryan-Ova & Mrs Kemp.
